

## Mobile Harvest Driver/Harvest Specialist

### About Us

**Little Colorado Meats** is a newly formed business who will harvest and process USDA inspected meats. It is LCM's goal to connect underserved and food insecure communities and residents with healthier and more accessible, locally produced meats and at the same time expand market opportunities for local livestock produce. Located in the beautiful White Mountains of Arizona in Eagar, we will provide our local producers a place to have their animals harvested and packaged and our employees with a team-oriented work place that feeds our communities.

### Job Role & Summary

The role of our Mobile Harvest Driver/Harvest Specialist will be to drive our Mobile Harvest Unit to various locations and assist with the harvesting of animals there. The driver is responsible for inspecting the vehicle to ensure mechanical items are complete, safety issues are resolved and the unit meets HACCP protocols.

### Responsibilities

- Ensure harvesting equipment is properly used during animal harvest
- Ensure humane animal harvesting protocols are followed
- Ensure carcass halves are appropriately and accurately labeled
- Assist in the harvest process
- Keeps records such as a logbook and conforms to the state and federal regulations.

### Skills

- Commercial truck and trailer driving, maneuvering
- Animal harvesting including, skinning, organ removal
- Proficiency with wenchers, saws, knives, firearms

- Communication with animal owners, USDA Inspector and fellow team members
- Knowledge of a broad array of basic mechanical and technical products commonly used in vehicles.
- Possess excellent time and task management skills to comply with the given timeline.
- Capable of lifting, dragging and carrying a minimum of 50 lbs.
- Basic math skills
- Work collaboratively with others

## **Qualifications:**

- A high school diploma or GED
- Current Food Handlers Card (or procuring one within 30 days)
- Two years of verifiable experience as a commercial truck driver
- Must possess a current CDL

## **Knowledge:**

- Animal carcass anatomy
- Humane animal harvesting protocols
- Commercial truck regulations

## **Benefits:**

- Paid vacation each year (FT time only)
- Accrued sick leave
- 2 Personal Days each year
